

## FINISH FIGHT IN MINNESOTA

Johnson Sure of the Delegates  
to National Democratic  
Convention.

GREAT STRENGTH OF BRYAN

"ON TO DENVER" THE CRY OF  
NEBRASKAN'S SUPPORTERS.

St. Paul, Minn., May 9.—With the exception of Cottonwood county, which had its convention some days ago and endorsed Bryan, every county in this state held Democratic conventions today to select delegates to the state convention. In the majority the delegates were instructed for Johnson.

Two Democratic county conventions were held in St. Paul, Ramsey county, today. In the official, Johnson convention, the "cut and dried program" was carried out to the finish in the selection of Johnson delegates to the convention next Thursday. At the Bryan convention notice was served on the Johnson Democrats that the fight will be to a finish. Bryan delegates to the state convention were selected, and Chairman F. A. Pike was directed to appoint a committee, which shall report at a subsequent meeting a plan of organization of the Ramsey county Democracy.

### Instructions to Delegates.

The resolutions adopted are identical with resolutions adopted by the Bryan men throughout the state today. They are as follows:

"Resolved, That the delegates to the Democratic state convention to be held in St. Paul May 14, be instructed to vote for delegates to the national Democratic convention at Denver who will vote and work for the nomination of W. J. Bryan for president, first, last and all the time, and to vote for the candidate of the Bryan men for chairman of the state convention. They are instructed also to vote as a unit upon all questions coming before them for consideration and for such said delegates as shall be in actual attendance upon said state convention are authorized to cast the entire vote to which said county is entitled therein."

### Address of B. F. Meek.

Addressing the Bryan convention, B. F. Meek said:

"No Democrat objects to a complimentary vote to Governor Johnson, but we do object to having him thrust upon us by men who betrayed the party in the past year. If he does not know the kind of men who are behind him, then he is an ignorant, and we do not want a mollycoddle for president. It is the duty of every Bryan Democrat to go to Denver and show the people of the United States that the Democrats of Minnesota are for Bryan."

After the delegates to the state convention had been named, Mr. Pike was asked what might be expected next Thursday. He replied that the delegates might expect to be excluded from the convention by the state central committee.

Just before the convention closed Mr. Meek suggested that, such being the case, there would be no reason for not holding a separate state convention, and he suggested "on to Denver" as the watchword. The watchword was adopted by unanimous vote.

### CARRIED BY FLEAS.

New Source of Bubonic Plague Infection Discovered.

Washington, May 9.—A ban has been placed on rats and mice on the Panama canal zone in efforts to prevent bubonic plague from gaining a foothold there. It has been demonstrated that the plague is communicated by means of fleas. The fleas get it from the rats and mice and communicate it to human beings. With the extermination of rats and mice it is stated there will be no danger from the bite of a flea so far as plague is concerned. Canal employees have been instructed to kill rats and mice.

### CLAYTON MAY PRESIDE OVER THE CONVENTION

Denver, Colo., May 9.—The sub-committee of the Democratic national committee considered the matter of temporary chairman of the convention in executive session here today. It is reported that Henry D. Clayton of Alabama is the choice of the sub-committee, although the following were also considered:

Governor Joseph W. Folk of Missouri; former Governor David R. Francis of Missouri; Theodore E. Bell, former congressman from California; Congressman Ollie James of Kentucky and John E. Lamb of Indiana.

No decision will be finally reached on the matter until the next meeting of the full committee two weeks before the convention.

## CADETS BID FAREWELL TO CAMP AT PRESIDIO

Camp Robley D. Evans, occupied by Salt Lake High school cadets during their stay in San Francisco. The battalion will break camp this morning.

### HIGH HONORS PAID THE SALT LAKE CADETS

Continued From Page 1.

command. Down came the flag of "Bob" Evans forever; up went the flag of Admiral Thomas. A king was dead. Another king had assumed the throne, and the guns belled a welcome for him. A welcome, there were, indeed, three of them—salutes of thirteen guns, each with a minute between the end of one salute and the beginning of the next. Last of all a salute of seven guns was fired.

### Part of the Picture.

Through it all Utah was in the picture, and it was there because of Admiral Evans. Around the port side of the ship stood the cadets. Beneath the great twelve-inch guns in the after turret stood a little group of civilians. Professor Eaton, unfortunately, was not able to be present, committee business having detained him uptown. Others present were General Wedgwood, Dr. Pfoutz, Joseph Lippman and son, W. M. Wantland and son, Charles M. Bell, Elwood Brown of the Salt Lake Y. M. C. A., Charles L. Smith, Charles M. Bell and Quartermaster Foster of the Utah national guard, and the writer. As showing how right was the exclusion of other visitors it may be stated that a relative of the ship's paymaster came aboard and was at once ordered by Captain Osterhaus to leave the deck. Several other civilians got as far as the top of the landing stairs, but the officers of the deck hustled them back into their launches. It was distinctly Utah's day aboard the Connecticut.

### Unmoved by Roar of Cannon.

The boys stood through the firing like men. Nobody who has never been on a warship during gun fire can understand the sensation. Seventy-two shots from the three-inch guns were fired. A three-inch doesn't sound very big when you say it, but when you hear it it jars you through and through. The first twenty or thirty reports were not so bad, even if all of us did jump a little every time one of them was heard, but above that the strain on the ear drums, we stood within a few feet of the guns, was terrific. Nearly everybody finally adopted the alternative of closing their ears as tightly as possible.

### Given the Run of the Ship.

After the flag lowering and flag hoisting were over, and after Captain Osterhaus had rolled Admiral Evans' flag into a neat bundle for the purpose of sending it to him, the cadets were given the run of the ship. Petty naval officers took command of different squads of boys, and if there was anything they did not see it must have been on some other ship. Certainly they explored the Connecticut thoroughly, also Captain Osterhaus, who would not permit any of us to take pictures during the flag ceremonies, took the bridge afterwards and the click of the twenty-five or thirty kodaks that had been brought along was continuous while the films lasted. For two hours the boys had full possession. And they took the best advantage of their opportunity. At 12:30 their launches were laid alongside and the journey back to the dock was made.

### Final Dress Parade.

Immediately after disembarking the cadets took street cars and returned to the Presidio, where they rested and thought everything over until time for

dress parade at 5 o'clock. The local papers had announced the parade and review as one of the attractions of the day, and several thousand civilians and soldiers had found the parade ground when the boys marched in. They never acquitted themselves with more credit. The snap they put into their work was really surprising, when we remember the sequestering they have done during the last week, and every comment was an enthusiastically complimentary one.

### "Home Sweet Home."

After the parade was over the cadets had their supper, and shortly thereafter they rolled into their blankets. Tomorrow morning at 5 o'clock they must be up and doing "with a heart for any fate," even including the return to school on Tuesday next. They leave at 9 o'clock Sunday morning, planning to stop for thirty minutes in Orlean, and reaching Salt Lake about 4 o'clock Monday afternoon. The Southern and Union Pacific officials have agreed to rush the train out ahead of all the other specials and to keep it moving at a lively pace. Much of the equipment was placed in the baggage cars on the Oakland mole tonight. The rest will be there bright and early in the morning.

### All Went Well.

Not a single unpleasant incident, as far as the boys themselves are concerned, has occurred to mar the trip. They have been accorded honors such as no boys ever received, and they have been given mind pictures that will never fade as long as they live. Private William Hooper Caine had the time of his life this afternoon when he was introduced to Admiral Evans at the admiral's request. Dr. Pfoutz performed the ceremony. At the same time Lieutenant Pfoutz of company A was introduced to the admiral. The veteran fighter asked them a number of questions about Salt Lake City and Utah, and spoke of the months he spent there when he was preparing to enter the academy.

## TINKERING UP A MEASURE

Committee Expects to Have a Currency Bill Perfected in Time for Republican Caucus.

Washington, May 9.—The Republican conference committee appointed to draft and present an emergency currency bill to an adjourned caucus of the Republican members of the house to be held next Monday night, was in session all day today and shortly before the evening recess the following statement of progress was made by Chairman Vreeland:

"The bill will be perfected and unanimously agreed to by the committee in time for presentation to the conference Monday night. I do not care to go into the peculiarities of the bill further than to say that the measure will be based on the principle of the last emergency bill introduced by myself recently."

Chairman Fowler of the banking and currency committee today said that his credit currency bill with the federal guarantee and trust features eliminated.

### PARK CITY HAPPENINGS.

Park City, May 9.—Henry Bircumshaw, an old and respected citizen of Park City, died at the home of his brother, Edward Bircumshaw, yesterday evening, of pneumonia.

The funeral will be held on Sunday afternoon at 1 o'clock from the lodge room of Park City lodge No. 4, K. of P., of which order deceased was a member for many years, and this will have charge of the service Bishop Rader band will also talk.

Mr. Bircumshaw was a stone mason by trade, but for the last few months he has been mining. He was in his 58th year.

The local members of the W. O. W. and the circle Women of Woodcraft celebrated their anniversary in a fitting manner last evening in the I. O. O. F. hall. Dancing was enjoyed during the early hours and about midnight a banquet was served. Professor Snow's orchestra was in attendance and did the playing. The various committees having the arranging for the drain tunnel celebration here on Wednesday in charge met last evening in the Marsac office, and, after discussing the plans, which they have formulated as to the manner in which the day's sports shall be carried on, adjourned to meet again at the same place on Sunday evening.

It was decided to have a "barbecue" on the Marsac grounds, and the committee having this "stunt" in charge stated that they had some good men to look after this part of the program and who knew how to prepare this open-air feast.

The excursion to the Salt Lake is not as yet a certainty, but whether or not a special train is run from the metropolis, special rates will be in effect for two days.

Large delegations from all of the country towns will come to Park City, and from the interest that is being taken in this celebration by the majority of people it will be one of the best ever given in this camp.

### INSTRUCTED FOR BRYAN.

Cleveland, O., May 9.—The Democrats of the Twentieth district here today elected delegates to the national convention instructed to vote for Mr. Bryan.

Springfield, Mass., May 9.—Instructed to vote for Bryan, delegates were elected here today from the Second congressional district.

## HAULS DOWN HIS FLAG FOREVER

"Fighting Bob" Evans Surrenders Command of Magnificent Fleet.

San Francisco, May 9.—Rear Admiral Robley D. Evans' flag today was hauled down from the main truck of the Connecticut in San Francisco harbor amid a salute of thirteen guns, and tonight the first commander-in-chief of America's first battleship fleet is on his way to his home in Washington to remain on waiting orders until the date of his retirement for age on his 62d birthday, the 18th of August next. Accompanied by members of his family and his staff, the admiral left at 6:20 p. m. No advance announcement of the hour of departure had been made in order that crowds at the ferry terminal and Oakland railway station might be avoided.

### New Commander's Flag Raised.

As the blue ensign of the retiring commander fluttered down to the after-bridge of the Connecticut a new flag of similar design was broken out in token of the presence of a new chief, Rear Admiral Charles M. Thomas, who brought the ships from Magdalena bay to Santa Cruz, and who acted for Admiral Evans at all the South American and southern California social functions of the cruise, taking over control of the big fleet in his own right. The bunting of the new commander was saluted by thirteen guns fired from every ship in the fleet, the waters of the bay and the green surrounding hills echoing the signal shots.

On board each of the sixteen battleships, the six torpedo boat destroyers and the auxiliaries of the Atlantic fleet, the address expressed the great regret the admiral felt in leaving the ship and his thanks for the loyal support of the men and officers during his long tour of command. The address in full was as follows:

### Admiral Evans' Farewell Address.

"United States Atlantic fleet, U. S. S. Connecticut, flagship.

"San Francisco, Cal., May 9, 1908.

"Upon relinquishing command of the United States Atlantic fleet and hauling down my flag this day aboard the U. S. S. Connecticut, flagship, I desire to express to the officers and men of the fleet my great regret at leaving them and my appreciation of their hearty thanks for their continuous and loyal support. It has been a source of much gratification and pride to me throughout my period of command, not only to see the number of vessels in the fleet steadily increase and the units become more and more formidable but to see the steady improvement in drill, shooting and in everything that tends to efficiency, and especially to witness the growth of a feeling of comradeship and esprit which transforms a group of vessels into an efficient war fleet. I am sure that both officers and men feel this same pride in the great increase of efficiency in these matters and as it has been accomplished through their loyalty and zeal to them I extend my thanks for all that they have done.

### Sympathy and Best Wishes.

"In taking leave of them I wish to say to each and every one that they have my warmest sympathy and best wishes for continued prosperity and good fortune in the future. I shall always watch their movements with pride and interest, and I trust they will extend to my successors the same loyalty and hearty support that they have always given to me. In order that I may be able to see from my home the fleet which I am now leaving progress steadily in efficiency, so that it may justify the faith of our people that a perfect fleet is and always will be a part of our navy."

## HAD CATARRH THIRTY YEARS.

Congressman  
Meekison  
Gives  
Praise  
To  
Pe-ru-na  
For  
His  
Relief  
From  
Catarrh.

CONGRESSMAN MEEKISON COMMENTS PE-RU-NA.

"I have used several bottles of Peru-na and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that if I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

### OTHER REMARKABLE CURES.

Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peru-na I am cured." Mr. C. N. Petersson, 132 South Main St., Council Bluffs, Iowa, writes: "I cannot tell you how much good Peru-na has done me. Constant confinement in my store began to tell on my health, and I felt that I was gradually breaking down. I tried several remedies, but obtained no permanent relief until I took Peru-na. I felt better immediately, and five bottles restored me to complete health."

### A SINCERE RECOMMENDATION.

Mr. D. C. Prosser, Bravo, Allegan Co., Mich., writes: "Two years ago I was badly afflicted with catarrh of the stomach. I had had a run of typhoid fever, was very depleted. I could find nothing I could eat without causing distress and sour stomach. Finally I came to the conclusion that I had catarrh of the stomach, and seeing Peru-na advertised began to take it. It helped me soon, and after taking three or four bottles I was entirely cured of stomach trouble, and can now eat anything."
